Dear Mr. McKendrick:

Thank you for your note of 4/27/81. It was kind of you to try to arrange transportation to Newark for Harold for the class reunion.

Unfortunately, even if your efforts had been successful, he would not be in a position to go. He is now in Georgetown Hospital receiving expert care for his medical problems. He appreciate your good wishes for improvement in his health.

I am enclosing a flyer which will give you some indication of what he has been doing since we gave up our farming, complete with ducks and geese, which occupied him for a number of years.

Sincerely,

Lillian Weisberg
